### Terms and booking conditions

Payment to be made, in full, with booking by cheque or credit card. Your place will be confirmed when we have your payment and sufficient participants. If insufficient numbers book onto a course your money will be returned or, if you wish, deferred to the next course. In the unlikely event of the school having to cancel a course we will repay the course fee but not fares or accommodation or any other expenses you may have incurred as a result of booking the course. If you wish to cancel we will re-fund the course fee only if we can find someone to take your place. You are responsible for all costs of getting to and from the venue and all costs you incur whilst not receiving tuition.

Our courses are accredited by the MSO and we can only issue certificates to those who reach the required standard by the end of the course. We strongly advise a study period of 2 hours per night.

Please keep your certificates carefully – there is a charge for replacement certificates. Photos taken on courses may be used for publicity. We may take a photograph of you for our records on enrolment. If you book a course with the school, you are accepting our booking terms and conditions.
